WELCOME TO THE ILLINOIS STATE SALE

Dear Friends:

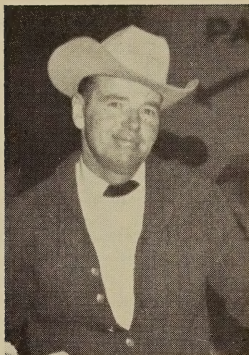

The 1963 Illinois State Sale offering was again carefully selected from the many top herds in Illinois to make this the best offering in our history. The members of the Illinois Shorthorn Ass'n are proud of this sale's past record and have made every effort to fill this sale with the kind that will meet with the approval of all sale day guests and prospective customers.

There is every indication that the efforts of a strong state organization, backed by strong district associations, is creating more enthusiasm for our breed in Illinois than ever before. This past sale season was the best we have experienced in many years. The National Western Sale was a clear indication of the growing popularity of our breed in the cattle country as many new price records were set. It was also pointed up that successful sales are based on quality . . . the kind that we will offer you in this event.

We hope that all Shorthorn enthusiasts will attend our annual meeting and banquet on March 4th. It is **your** ideas and enthusiasm that will help us build a better Shorthorn breed. Our slogan is "Illinois Leads The Way" and we would like to have you come to our sale and let us help you "Lead The Way."

MELBOURNE RUDYARD — A red son of the International 1st prize winning Melbourne Rodney and out of the first "AAA" cow graded in this country. Melbourne Rosebud, at left, is a great cow, and a great producer. Two of her daughters are among our best young cows, and her son by Leveldale Basis, Melbourne Radium, is in the H. A. VanSant herd, Maxwell, California. . . Her last calf is also another top-per. Rudyard can be a great breeding bull with this background.

S & T PACEMAKER 15TH — Sired by Leveldale Pacemaker, the sire of two International supreme champion bulls in the past three years. The dam has been a good producing cow. A full sister sold in the 1962 Leveldale sale to Bilmar Farms for \$1200. She is also a full sister to the dam of the 1960 International supreme champion and also a full sister to the dam of Northwood Pioneer Crown the top bull in the first sale held at Northwood selling for \$9000 to Mr. DeMarco. This has always been a great calf from birth. With ancestry like he has, the big gamble has been taken out for his new owner.
